AN EVENT SPACE *FOR EVERYONE*

Established since 1999, PJ's Irish Pub Parramatta has been taken from the heart of Ireland and placed on the corner of Parkes and Church St Parramatta. The authentic Irish atmosphere and design, combined with live entertainment, exceptional award winning food and drink, makes it one of Australia's grandest Irish Pubs.

Whilst combining the old with the new, PJ's has maintained tradition by keeping its Irish style pub interior but has stayed contemporary through a multi million dollar refurbishment mid 2012. As a result of this refurbishment, the whole top floor of the pub has been designed and dedicated to function rooms. We can manage every aspect of your event, whether it is a Birthday celebration, special event, corporate launch or networking.

We have a range of menus for sit down and cocktail style parties and are flexible when it comes to exceeding your expectations.
